## Gerad & Melissa Blaise, Hudson, & Steele

Allow me to introduce you to the Hall Family. Gerad and Melissa have been married since 2007. They have three boys: Blaise ('13), Hudson ('16) and Steele ('18). This family of 5 have a heart for the Lord and for His local church.

Gerad is an ordained Conservative Baptist minister and served his home church, Wildwood, for nearly 10 years as the Family Pastor and is currently serving his alma mater, Moody Bible Institute, as a Stewardship Field Representative. Melissa has been teaching at Christian schools since 2006.

He has been faithfully ministering in various capacities since 2003. Currently, he's a monthly Bible teacher on WDLM Moody Radio and serves multiple times a year as a retreat speaker and filling pulpits. In addition to this, Gerad is a board member for Life in Messiah (The nation's oldest mission organization reaching Jewish People with the Gospel.) He has also led multiple groups to Israel and has a passion for exposing the Church to God's heart for His People and Land.

### What others are saying...

"I have known Gerad for more than ten years. Gerad is bright, intuitive, and warm, an effective leader who engages well with those he works with. We are greatly in need of churches that aim to fulfill the Great Commission. That is the type of church I am confident that Gerad will plant!"

- Dr. Art Georges (Living Hope, Bartonville, IL)

"Gerad's heart for ministry is evident in his life and teaching. He is a gifted communicator with an ability to properly and clearly handle God's Word. He's able to personally engage with people across a wide range of ages and preferences. The Hall family will pursue this church plant with passion and purpose as guided by our Great God."

- Rev. David McIntosh (Hillcrest, Muscatine, IA)

The Lord has been impressing upon them the need for an additional Bible preaching church in the Quad Cities that boldly proclaims the Gospel and seeks to reach the community with the truth of Scripture. Gerad seeks to establish a bi-vocational core team the fall of 2019 that will develop into a launch team by the fall of 2020 for a 6 month soft launch anticipating a hard launch in the spring of 2021.

Would you consider three things:

- 1) Praying for the Halls as they continue the endeavor of starting a church?
- 2) Having Gerad come and serve your congregation by preaching on a Sunday morning?
- 3) If you feel lead by the Lord, would you then have Gerad come share his heart for Church planting and consider financially partnering with them?
